S.16/0296/HHOLD (revised)	High Hedges Stroud Road Brookthorpe	Two storey and single storey extension with alterations to existing garage and window styles Councillors unanimously OBJECTED to
------------------------------	---	---

this application on the grounds of the adverse effect on neighbouring properties and highway safety. Councillors requested that the Clerk ask for this to be removed from delegated powers and be discussed by the Development Control Committee. It was also felt that given the scale of this proposed development that there was insufficient time given to consultation by Stroud District Council to meet its strategy requirements.

Street Trading Licence Request on A4173 Lay-by

Councillors OBJECTED to this request on the grounds that the lay-by was narrow and already congested. Also raised, was the unsuitability of the site near the farm entrance due to the size of the vehicles accessing the farm, the anti-social activities already taking place in the area, and its proximity to residential properties.

b) Decisions made by Stroud District

Cllr Pearson stated that the District council had obtained a Heritage Lottery Grant towards the Canal regeneration at Brimpscombe Port.

The Chairman and Councillors thanked Keith for his work on the Parish's behalf over the last 9 years.

16/035 POSSIBLE PROJECTS FOR FUNDING FROM MSA CONTRIBUTIONS

Mr E Hibbert put forward, on behalf of the Village Hall Committee that there are plans to build an extension to the Hall. It was agreed that this could be put forward to Sarah Dunning (Owner of MSA) as a possible project that they may fund. Keith Pearson agreed to act as an initial go between and Cllr Steve Betts would open negotiations. It was suggested that Section 106 money may also be available but the Council has been told in the past that none of this money would be available for Brookthorpe. It was also suggested by Mr B Wiggall (parishioner) that the Council has in the past investigated a footpath for pedestrian use along Upton Lane.
